## Empowering People in the Fight Against Cancer!

In 1988, Larry (Chad) Chadwick and a small group of friends started the Oregon Cancer Ski Out (OCSO) as a way to positively channel their sadness and frustration over the loss of loved ones due to cancer. Their idea was to create an event that would RAISE FUNDS to support cancer research and programs that provide care and comfort to cancer patients and their families. They knew it had to be meaningful, affordable and above all, it had to be...*serious* fun! Thanks to our generous sponsors, donors, dedicated race participants, guests and volunteers, over **\$674,000** has been raised since we began.

### What is the Oregon Cancer Ski Out:

This is a one-of-a-kind fundraising event that brings together skiers and snowboarders in teams of 5 to raise funds for OCSO beneficiaries and compete for prizes.

This is not an expert ski event as the race is formatted to reward consistency, not speed. All ages and abilities are invited to join in the fun.

Volunteer professional coaches are always on hand to assist racers with tips and advice.

Racing takes place on Sunday and Monday at Mt. Hood Meadows. On Sunday night, everyone gathers at the Best Western Hood River Inn for dinner, oral auction, casino gaming and dancing!
